[75% Say Free Markets Better Than Government Management of Economy, Political Class Disagrees](#)

A new Rasmussen Reports national telephone survey finds that 75% of Likely Voters prefer free markets over a government managed economy. Just 14% think a government managed economy is better while 11% are not sure. These figures have changed little since December.

Polling released earlier this week showed that Americans overwhelmingly believe that more competition and less regulation is better for the economy than more regulation and less competition.
